Garland, can we please share with Michaela, Kelly and others the attached 3-page fact sheet that we were asked to develop and was recently sent to the AO? Then, if they could update the desk statement and any comms plans to be consistent with this 3-pager and resend for our review, that would be most helpful to us.

Thanks!  
-Andrew

## Waleko, Garland shared a file with you

Shared version to comment in.

From Micheala Burns: I wanted to attach the latest draft of the Formaldehyde Desk Statement to begin review. Kelly and I spoke with IOAA and they thought a comms plan with some Q&As and a desk statement would be best choice for communications materials. I'd like to have the desk statement reviewed first, so I have language to pull for the comms plan.
